A Message From Garry King

Garry trained at the Italia Conti Academy of Theatre Arts in London and gained a BA Honours in Musical Theatre.

Garry has a Masters in Adult Education, Youth Work and Community Development from Glasgow University. He is a member of the British Association of Dance Teachers and the Scottish Dance Teachers Alliance. He is also a qualified fitness instructor.

Garry is proud to be the founder, principal teacher and project leader at the children's charity Go Kids Performing Arts.

2024 has already been one of our busiest and most productive years as an organisation and we are only in February! We have performed in a West End theatre with 22 of our members, It was an amazing experience. I can't wait to welcome you to the Hamilton Townhouse in March to see our showcase We're All Stars!

This pantomime is jam packed with songs, jokes and dancing that will certainly entertain all of the family. I am so proud of every one of our members who have worked hard to make it all happen. Pantomime is my passion, it is the first time many young people are exposed to theatre and live entertainment. I can remember watching the Kings Theatre productions as a child and that is when I decided at age 5, that I was going to do that as a job!

Snow White is one of the most famous stories of all time and I hope you enjoy our version. It was a pleasure to write and direct. The talented cast have really worked hard to put this show together.

Working alongside my team Jade, Corey, Greg, Jenna, Marie Anne and Lauren is truly a privilege. Each of them work so well with our members and truly bring out the best in them. This is our 9th year at GKPA and I thank every single person who supports us from the bottom of my heart.

Coming up we will be appearing in Dream Coat Stars in the Lanark Memorial Hall and The Magic Bookmark in the Websters Theatre in Glasgow. Not to forget our production of Guys and Doll's. and our junior and intermediate presentations.

Enjoy the show, in my opinion it really is the fairest of them all!

Lots of love

Garry
